Jack Fashion at Yulong Fashion Plaza, Guangzhou

Our own factory

Pattern making, cutting, sewing, finishing and packing.

Yulong stores

Multiple physical stores across Buildings 1 and 2.

Custom production

Discuss your designs from reference pictures or samples.

Company introduction - October 2026

Choose your next collection

Dresses, matching sets and plus-size styles for boutiques, wholesalers, importers and fashion retailers. Browse the catalog, then send your selected style codes to Jack.

Maxi dresses

Style 0921026

Long silhouettes and occasion styles.

Plus-size dresses

Style 0921016

Review finished measurements by style.

Matching sets

Style 0921023

Confirm the pieces included in each set.

Ready stock starts at 12 pieces per style; different styles cannot be combined. Colors and sizes are mixed and cannot be selected individually. Confirm stock, set counting and quotation with Jack.

See the work behind the garments

Our factory photographs show pattern making, fabric cutting, sewing and finishing. Share your design, fabric, measurements and quantity to discuss custom production.

Pattern making

Paper patterns and a dress form at the workbench.

Fabric cutting

Fabric and paper patterns on the cutting table.

Garment sewing

Garment sewing stations in our workshop.

Finishing & packing

Garment checks, pressing and packed pieces.

Sample requirements, inspection, labels, packing and the production schedule are agreed for the selected design and order.

Meet us in Guangzhou

Visit our stores or ask about a live WhatsApp video view of selected garments. Share a preferred date, time and time zone so Jack can confirm the appointment.
